BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

JLP:ddj
Docket No: 4826-02
4 September 2002

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 4 September 2002. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by NPC memorandum 1780 Pers 604 of 1 August 2002, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

Ref: (a) CNPC memo 5420 PERS-00ZCB of 23 Jul 02
(b) Public Law 106-419

1. The following is provided in response to reference (a). Recommend disapproval of [REDACTED]' request to change his mind on his MGIB enrollment. By law, the MGIB Program election is irrevocable (Section 104 of reference (b)). Since [REDACTED] enrolled in the MGIB on 30 Oct 01, the DD Form 2366 dated 15 May 02 is invalid and will not be processed. This office cannot concur that an administrative error occurred since [REDACTED] enrolled in the MGIB Program, then later changed his mind, which he acknowledges. What he is suggesting should have happened is that PSD should have destroyed the properly witnessed enrollment form when he changed his mind, contrary to reference (b).

2. PERS-604's point of contact is Ms. [REDACTED] who can be reached at (DSN) 882-4260 or (C) 901-874-4260.
